Dear Sponsor,

**South Fremont National Junior Basketball** is a non-profit organization, dedicated in providing the finest basketball program in the South Fremont and Newark areas. The \_\_\_\_\_ family is **requesting your assistance in sponsoring a player** for the upcoming basketball season.

You can be a proud sponsor of one player with a contribution of **\$225.00 Divisional/All-Net & \$245 High School**. Your contribution will be used to pay for the player's uniform, team insurance, and some gymnasium usage.

As a non-profit organization, our funding is entirely dependent upon the contributions of local businesses and individuals, fundraisers, as well as player registration fees.

By providing a charitable contribution to our league, you will get valuable public exposure and excellent value for your advertising dollar. Please keep in mind that there are incredibly diverse numbers of people who make up and attend our basketball games and tournaments.

*As a player sponsor, you will be assisting in the development of a youth that would not otherwise be able to participate. Your organization will also be listed in the league resource guide, which goes out to every family in the league. You will also be listed on league banners and on our website.*

We appreciate your organization's consideration, and we hope that the rewards that may be achieved through this effort will only be exceeded by your tax benefit and profit potential.

On behalf of the players who benefit from this program, the board of directors, members and parents, *we thank you again for your sponsorship.*

Please mail the bottom portion of this letter with your sponsor check to the address noted at the top of this letter. Keep a copy for your files.

Sincerely,

Board of Directors  
South Fremont NJB
